## The Exchange At 25 Broad Announces The Completion Of All Interior Spaces

Kent M. Swig, President of Swig Equities, is pleased to announce that The Exchange at 25 Broad, a re-mastered luxury condominium located in the heart of FiDi (Financial District), has completed all interior construction within the building, including all apartments and amenity spaces, and the building is now ready for immediate occupancy.

The newly completed luxurious spaces include a supremely equipped health club and day spa; private residents' lounge; dining room with a full catering kitchen; private screening room; children's playroom; business resource center; on-site laundry/valet; tea room; and viewing garden. All amenities and facilities are now ready for 25 Broad Street residents to use at their own leisure.

"We are thrilled with the completion of the interior spaces at 25 Broad Street. Each space enhances the lifestyle of the residents and truly captures a sense of modern luxury living," stated Kent M. Swig, President of Swig Equities.

25 Broad Street's 306 residential units blend modern design with traditional craftsmanship and the richest materials inside the newly renovated one, two, and three bedroom apartments designed by highly acclaimed Cetra/Ruddy, an award-winning architectural and interior design firm, and Liz Swig, Director of Design for Swig Equities, LLC.
